Dear Parent/Carer,

I hope this letter finds you well. I am writing to you to provide an update and to confirm information in connection with your child's' possible return to school.

This is an important time for your son/daughter now that we are approaching the end of Year 10 and moving into Year 11 and the conclusion of their GCSE courses. We at Chesterfield High School are fully committed to the safety of your children as well as educating them in the best possible way during this challenging period of time. What is equally important is the emotional and mental wellbeing of your son/daughter who have not only missed out on a period of education but also the other aspects of school life such as social interaction, development and routines.

Following recent government guidance, we are now able to formalise the arrangements for some 'face to face' meetings from Monday 15th June and small group learning sessions from Monday 22nd June 2020.

As we are only permitted to have 25% of the year group in at any one time the plan is that your child will be in school for one morning a week and will attend lessons in English, Mathematics, Science and History/Geography in the first instance. These will be focused on reviewing home-learning, new subject content and further direction for home-learning.

Please be assured that the school continues to put every measure in place to protect its students and staff and specific logistics will be sent out by Friday 12th June 2020, so that you can make arrangements for their return. Students are advised to walk, cycle or get a lift to school.

If you have any questions about this return and the further plans for your son/daughter during this period then please don't hesitate to contact me.

Yours sincerely
