## What is the Parent Carer Forum?

Chesterfield High School brings together parents, carers, school staff and other members of the school community to support the school. A group of parents and carers who meet once a term to discuss school-related issues.

A Parent's Forum provides a valuable way to listen to the ideas and concerns of families and seek their views, helping to make sure the needs of children and their families are met.

Meetings are often led by school staff and governors, usually by the Deputy Headteacher's and the Parent Governor Representatives. A genuine opportunity for open discussion according to a pre-published agenda.

## The Parent and Carer Forum has two main aims:

To develop a partnership between the school and Parents/Carers in order to promote and support the pupils' learning and to bring about change.

To give parents a voice and foster a culture of ownership and participation

In addition, the Forum looks to:

- Work closely with the Governing Body and School Leadership Team to ensure an open and beneficial dialogue exists.
- Encourage closer links between home and school, helping Parents and Carers engage with their children's learning.
- Assist Governors, teachers and staff by commenting on new initiatives, drawing attention to areas of concern and contributing to solutions.
- Enhance communication with and between all members of the school community.
- Develop and disseminate ideas that improve the life of Chesterfield High School.
